About

Thank you for your interest in Calvary's School of Ministry (CSOM). Your desire to grow in your relationship with Jesus and to be used for the advancement of His kingdom is a blessing. I believe that the church is poised to either make an unparalleled impact on the world or fade far into the distance. One of the most important keys to ensuring our impact is to equip believers for the work of the ministry, which is precisely what this school will do.

Offering essential courses through an education/internship philosophy, CSOM will help you take the next step in your ministry preparation. However, CSOM is not just for people who believe that they have a full time ministry calling; it is also for people serving actively in the church who desire further equipping and those who are simply attending the services.

While we all understand the urgent nature of the times we live in, it is that sense of urgency matched with a willingness to say like Isaiah did, "Here am I, LORD, send me." If that desire

has been placed in your heart then CSOM is for you. May God richly bless you as you seek His face and His will for your life and may you be fully equipped for every good work that He has beforehand prepared for you to walk in.
